Dear Residents of Newburgh Heights:

In the next few weeks, the citizens of Newburgh Heights will have an opportunity to vote to authorize a much needed levy for our Fire Department. I am sure you agree that our Fire Department provides much needed services for the village. The only way to keep the Fire Department running is to pass the proposed legislation and get a sufficient number of votes to pass. That's why it is more important to show your support for these improvements now than ever before.

The Newburgh Heights Firefighters Association and the Committee for the Passage of Issue 33 is working hard to spread the word throughout our community about what each voter can do to ensure that our Fire Department gets the funding necessary to maintain our level of quality service for the residents.

To support our education and outreach program, the Fire Department is sponsoring local fundraising events. Please join us at the following events and show your support for your local firefighters. We look forward to seeing you there!
